19) The main facts of the case are contained in the Amildar's report which is flayed P. (English). The question of priority in worship, which is claimed by the appellants, seems to be a matter for the civil courts to decide. On account of factions in the village each party

23) No license seems to have been
franked under S. 45 of the Prob. Regs.
The claim to priority of worship is a
civil right & magistrates are ~~not~~ not
competent to adjudicate upon it.
But, incidentally they hold some
inquiry and arrive at a decision
to give effect to it, leaving the aggrieved
party to pursue his own remedies.
This seems to be the procedure usually
adopted in such cases, perhaps
in the interests of maintaining the
public peace.

License Appeal No. of 1919-20.

Appellants.

1. Karamangalada Munappa
2. Moki Karappa
- Rayats of Karamangala,
- Bowringpet Taluk.

Appellants.

vs.

Anar Nanjachari, residing
in the said Karamangala
Bowringpet Taluk.

Respondent.

The appellants aforementioned beg
to appeal against the order of the Deputy
Commissioner No. 6311 dated 12-10-18 on
the following among other grounds.

- (1) The order of the Deputy Commissioner
that when the Varanna Devaru and other
idols are taken out of their respective
temple for purposes of procession,
Brahmins should be first allowed
to

to make offerings of fruits, Coconuts etc. to the idols, then Nanjachari (Respondent) and after him the other rayats of the village of Karamangala is not supported by custom or usage and is not in consonance with the common law.

2. The said order sets up a distinction & priority which is not justifiable under the circumstances of the case and can only lead to internal dissensions in the village. The Brahmins themselves are indifferent in the matter and do not claim any priority as stated by them before the Taluk Amildar. And there is certainly no reason why Nanjachari should be given the preferential treatment accorded to him by the Deputy Commissioner, as he has never till now enjoyed such distinction.

3. The order of the Deputy Commissioner setting up these novel and artificial distinctions is not calculated to avoid a breach of the peace which the order apparently aims at.

4. The appellants who are mainly responsible for the upkeep of the temple and among whom are the majority of the worshippers of the idols

Sir,

Adverting to your letter No: 1797/Muz:312-19-2 dated 12th December 1919, I have the honor to state that it is reported by the Amildar of Bowringpet that Sri Channarayaswami temple at Guttahalli is a Muzrai Institution while Muniswara Devaru and Eranna Devaru temples at Karamangala are not Muzrai Institutions and that the endorsement to the petitioners must have been issued some time between the 14th and the 26th October 1918 on which latter date a copy of the same endorsement was issued to the opposite party subbarayachari, as can be seen from the acknowledgment on the original endorsement filed with the records. The exact date on which the endorsement referred to was issued is not clear from the records.
